**COMMENTS ON THE EXAMINER'S  
STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

In reply to the Examiner's Statement of Reasons for Allowance, provided with the Notice of Allowance dated February 6, 2008, Applicants submit the following comments.

The Examiner offers several reasons why the claims of the present application are allowable over the prior art of record. At one point the Examiner asserts that "The present invention is directed to a transreflective liquid crystal display." Applicants respectfully submit that that independent claim 1 does not include the language "transreflective."

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Donald J. Daley, Reg. No. 34,313 at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 08-0750 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,

HARNESS, DICKEY, & PIERCE, P.L.C.
